The fighting is over! That's what I've been trying to tell you...

AND YOU CALL ME AN OCTOPUS? WHAT WAS THAT FOR?

Is it over already?

Oh?

Urgent business is ahead to get to work!

Just what I would expect from Tetsuaji you're as awesome as a giant octopus!

Oh my

crushing
blow that
cleaves an
enemy and
his armor
under is—

Hehe... If
striking a

Is the true
essence of
Tekkou-ryu

Shin Kotaro Makartaru Judo-hen Volume 8!
And this is Shin Kotaro Makartoru I, Issue 60!

*Kyo-
shiro!*

Right?

*So
this
is
more
like
it!*

*After
all, you
were
capable
of de-
feating me-*

*There's
still that
belly
left...*

*...but chances
are my other
people will
have finished
him off by
now...*

Oh?

*That
last
strike
wasn't
meant
to be
fatal...*

*...but I
didn't
mean to
go easy
on you
either...*

*Even
then...
so what
if you
can still
stand
upright?*

*Your
attacks
don't
have the
slightest
effect
on me!*

Then...

If I want
to force
my way
out of
here...

...breaking
the door
down isn't
that hard...

But this is
Kurumi's
room after
all...

If you
accidentally
trigger a
booby trap
in the worst
case the entire
room might
blow up!

Best if
we find
another
way out then?

...use a room
that can be
locked from
the outside
as a bedroom

as my guess
is that there
must be a
switch we can
use to get out
of here!

Let's?

we've
tried
all the
doors...

In
any
case,
why
would
Kurumi...

Ah!

Ah?

THAT STUPID

THE GOLDEN

The trick
to this
attack is...

how to
make it
spray on
to the
opponent's
face!

Go...

GO TO HELL!

Hurry up
and put it
away!

Aren't you
afraid that
Kurum will
kill you when
she finds
out?

When you
get to go
you just
get to go!

With no
toilet here
what else
can I do?

...now I remember!

I was on watch
for Kyoukoro
in this before.

So one
time I
challenged
him...

to see
who was
about
the
biggest!

mine stung
by a bee
and for a
while I was
bigger than
him!

must be
the escape
button!

Let's
push
it!

Hold
it!

I think
it's a
bit
suspicious!

A button like
this that any
one can find
it might be
a trap!

Trap?
☆

Isn't that
going too
far, even
if it's
her?

Have you
forgotten
what kind
of person
Kurumi is?

Hang on...
that can't
be right...

...in that
case...?

to be
honest,
I am
amazed!

I didn't
think it was
possible for
you to defeat
opponents who
are wearing
these combat
suits!

Karate is
really an
impressive
discipline...

But!

**HOW-
EVER-**

That's right...
didn't you guys say—

That kind
of outfit is
impervious
to all types
of weapons?

Impact resistant suits are of no use at all

So that's it against a more full opponent with light de-fences

There is no way that the power of my sword is inferior to Kyoushiro's bare fist!

"An object!" is
the name. It is a

seems to work the

I might've

this in a

before...

GAH!

quick drying
super glue!

hollow like

With

Any
way,
right?

NASA
again?

and this NASA-
developed super-
glue is extremely
strong.

Once it takes hold,
you won't get free
unless you rip your
skin off!

When thrown, the
super glue inside
will spread out
to a radius of
30cm.

Ten...?

Not
not done

But
But I...

It's
only
been
nearly
seconds
so far!

Didn't
you say
one
minute?

Take take
take...

Too bad
you won't
survive
past that
minute!
